QUESTION(S) PRESENTED

ground-1

Why Has the US Supreme Court denied my petition for certiorari on April 22, 2019 upon acknowledging the conflict of Arguments and Statements between the New York State Department of Law - office of the Attorney General, and the US District Court of Appeals, and the New York State Supreme Court.

ground-2 Why Has the Defendant made more than one attempt to obstruct the due process of my judgement, by assaulting me on November 27 2016, and leaving me with multiple physical injuries.

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

 Mr Richard  
Bloodywone

Date: May 18, 2019

REASONS FOR GRANTING THE PETITION

The petition for writ of certiorari, presented in Case 18-8585, shall be granted, due to the conflict of stipulations between more than 2 court institutions of the same and different jurisdictions, pursuant to Rule 10 of the United States Supreme Court.

The argument brought forth by the New York State Department of Law - office of the Attorney General on March 29 2019, also referred to as the Defendant's waiver of the right to file a brief in opposition, is in confliction with the decision of the US District Court of Appeals about Case 18-1250, and the decision of the New York State Supreme Court presented on May 03 2016 on the same matter - Indictments 2034 14 and 2284 14

Application for the Court to  
Request Pro Bono Counsel

I ask the Court to request a *pro bono* attorney to represent me in this action. In support of my application, I declare under penalty of perjury that the following information is true and correct:

1. Have you previously filed a "Request to Proceed in Forma Pauperis" (an IFP application)?

Please check the appropriate box below:

- I have previously filed an IFP application in this case, and it is a true and correct representation of my current financial status.
- I have not previously filed an IFP application in this case and now attach an original IFP application showing my financial status.
- I have previously filed an IFP application in this case, but my financial status has changed. I have attached a new IFP application showing my current financial status.

2. Explain why you need an attorney in this case. (Please note that requests for *pro bono* counsel are rarely granted at the early stages of a case and usually not before the Court has issued a decision on the merits of the case.) If you asked for an attorney earlier in this case, please also explain what has changed since you last asked for an attorney.

My Ability to Advocate for my own as a  
pro se petitioner, is limited.  
An attorney is better designated & qualified  
to assist in my defense.

3. Explain what steps you have taken to find an attorney and with what results. (Please identify the lawyers, law firms or legal clinics you have contacted and their responses to your requests. If you have limited access to the telephone, mail, or other communication methods, or if you otherwise have had difficulty contacting attorneys, please explain.)

I ASKED the legal Aid Society And the New York State BAR Association, for legal Representation since 2017. Both firms did NEVER Reply to Any of my Numerous Requests.

4. If you need an attorney who speaks a language other than English, state what language(s) you speak: \_\_\_\_\_

5. I understand that if an attorney volunteers to represent me and that attorney learns that I can afford to pay for an attorney, the attorney may give this information to the Court.

6. I understand that even if the Court grants this application, I will receive *pro bono* counsel only if an attorney volunteers to take my case and that there is no guarantee that an attorney will volunteer to represent me.

7. I understand that if my answers on this application or in my IFP application are false, my case may be dismissed.
