Supreme Court of the United States

No. 18-8595

Mr. Charles Kenneth Wallace, SR

vs

La. Dept. of Public Safety & Corrections

PETITION FOR REHEARING

The petitioner hereby herein moves this honorable court for a rehearing of the petition for writ of certiorari denied this May 28, 2019 for the following ground(s) to wit:

- 1) INTERVENING CIRCUMSTANCES OF A substantial effect: The denial violates U.N. → Universal Declaration of HUMAN RIGHTS Articles 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, and contrary to the purposes and principles of the United Nations and United States, Art 14. Inviolate of a U.S. TREATY, U.S. Const Art (5) 1, 2 & 6.
- 2) a. Intervening circumstances of a controlling effect: USDC-WDL Shreveport Dir. Judge Elizabeth Emé Foote has ordered L.D.P.S. & C to cease and desist interfering with class actions/

civil action prisoners herein D.W.C.C. in extended lockdown; as they have herein with this petitioner disrupting his access to law library disrupting his preparation of any meaningful adequate effective presentational petition in violation of 42 USC § 3001 et seq.,

2.) b. the La. Leg. has just rejected La. H.B. 386 which would have raised the age to purchase tobacco smoking products from 18 to 21 here at DWCC, and La. Dept. of Public Safety and Corrections, Disciplinary Rules And Procedures For ADULT OFFENSES, Rule #1 now clearly states: "Possession and/or use of lighted cigarettes or other smoking materials are deemed to be contraband in non-smoking areas." ^{gt. vgt.} which creates an enforceable state right to a smoking area, and now with an interstate commerce vender willing to sell smoking products within La. D.P.S. & C. prisons know as "Union Supply", all of the statutes combined imply repeal of the no smoking Act in question of original cause of action.

3.)a Substantial Grounds not previously presented: plaintiff states the enhanced sentence to no smoking not only violates his substantive freedom of religious expression rights under U.S. Const. Amend. 9 and 14 but is being enforced in violation of prohibitions against ex post facto violate of Art 1, Sec. 9 (cl 3) § 10 of the U.S. Const. as enforced under La. R.S. 314: 402: CONTRABAND; conflicting statutes.

3.)b. Human-animal hybrids must in all common sense exist in La. as the law La. R.S. 314: 89.6: "HUMAN-ANIMAL hybrids" wherefore demand definition of human being for purposes of any homicide statute; as a child I saw human-bonobos in Louisiana... it was very captivating.

3.)c. The term "OFFENDER" therein La. R.S. 314: 30.1 stereotypes the defendant and directs a verdict of guilty and has numerous (more than one) definitions but none therein La. R.S. 314: 7/2; relieves the state of all burden of proof and violates U.N.-Universal Declaration of Human Rights Article 11 a U.S. TREATY

3.)d. La. Acts 2006, No. 815 is a "TROJAN HORSE Bill" designed to overcome intergration and create classes of citizenship in violate of BROWN vs. Board of Education, Topeka, 98 LFD 873, 347 U.S. 483 [MAY 17, 1954], in violate of U.N.-U.D.H.R. Art. 1, 2, 3, 4, 5, 6, 7, 10, 11, and 12 a U.S. TREATY.

3.)e. La. Acts 2006, No. 815 proposals were never posted anywhere within the D.O.C. by due process of Law to afford substantive due process, and procedural due process to be in furtherance of any legitimate government interest to deny my personal religious rights which are "fundamental rights" under and protected therein the 9th/14th Amend. to the U.S. Const., U.N.-U.D.H.R. Art. 27, 18 a U.S. TREATY. of which petitioner has sovereign immunity as a U.N. NATURAL BORN citizen protected under oath of allegiance in service.

Wherefore petitioner prays reconsideration and rehearing of the petition for writ of certiorari and rule that petitioners Lower La. Sup. Ct. petition was-is timely filed and for the grounds specified herein, under the mail box postmark rule.

Respectfully
