Please be advised that the City of Farmington Hills has received and reviewed your recent Michigan Freedom of Information Act (FOIA) request dated April 24, 2019. Specifically, you requested a complete copy of report 05-14428.

Section 15.232, Section 2(g) of the FOIA defines those eligible to receive information under the FOIA as an:

[I]ndividual, corporation, limited liability company, partnership, firm, organization, association, governmental entity or other legal entity. [This] does not include an individual serving a sentence of imprisonment in a state or county correctional facility in this state or any other state, or in a federal correctional facility.

Therefore, the Police Department has **denied** your request.

The City's protocol for responding to FOIA requests is set forth in the Public Summary and the City's Procedure and Guidelines available on its website at: <http://www.fhgov.com>. Additionally, paper copies of the aforementioned documents are available at the City's offices.

In the event you are not satisfied with this response you have the right to submit a written appeal under MCL 15.240 to the City Council, via the Clerk's office, that specifically states the word "appeal" and identifies the reason or reasons for reversal of this denial.

In addition, you may also seek judicial review of this denial pursuant to MCL 15.240, including the right to receive attorney's fees and damages as provided in MCL 15.240 if, after judicial review, the circuit court determines that the public body has not complied with this section and orders disclosure of all or a portion of a public record.

Dear Mr. Ingram:

I've reviewed my files and I do not have the reports or any information you requested. You really don't need me to do Freedom of Information Request; what you can do is send a letter addressed to the St. Clair Shores Police Department indicating that you are requesting the reports on the case numbers pursuant to the FOIA; they would then contact you with the fees for charging; you pay the fees and they will send you the documents.

Good luck and if you have any further questions, please feel free to write.

Case No. 05-203497-FC

Dear Mr. Ingram:

I am in receipt of your letter, dated May 8, 2019, in which you asked whether I remembered you. I do remember representing you during 2005 and 2006.

You asked whether you could retain me to file an FOIA request on your behalf. Unfortunately, I am unable to do so. That is because my representation of you was limited to my appointment. It terminated on the date you were sentenced.

I am sure that you will be able to find another attorney who can be of assistance to you. I wish you the best of luck as you continue to pursue appellate relief from your convictions and sentences.

Very truly yours,

MICHAEL J. McCARTHY, P.C.

Dear Mr. Ingram:

I think you over estimate my contacts and anything else as they have already denied your FIOA they would also more than likely deny mine.

I cannot in good faith charge you money to do something that I do not think will produce a result. As such, I guess your only alternative would be to file a lawsuit pursuant to the Freedom of Information Act to obtain the documents and without knowing more, I can't give you any indication as to whether it would success or not.

I trust I've answered your questions.
