

In The United States Supreme court

Dwayne Stoutamire,

Case No.

v.

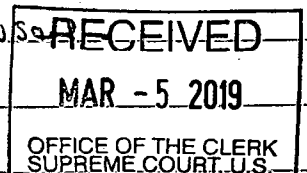

Justice Kagan

christopher LaBose,

Request For a
Extension of Time

I come before honorable court seeking a extension of time pursuant to Supreme Court Rule 13.5 and 30.3.

I ask this court for a extension of time due to the fact that I am a indigent pro se litigant who will not be able to meet my deadline due to my indigent status. I am not in the position to be able to afford the neccessary postage to send my writ of certiorari too the court as well as too the warden's counsel.

I am currently incarcerated, without any outside assistance. I do not receive no more then \$ 12 . 00 a month, in which 20% is taken from that leaving me with \$ 10 . 00 for the month. this only allowed me to be able to purchase the material to perfect my writ and some hygiene material.

So I ask the court for a additional ~~46~~ days allowing me to receive my monthly state pay and thus be able to afford the necessary postage. I pray that the court grant my motion and not allow my indigent status be the cause my rights WAS not heard.

So I ask the court to allow me until ~~April~~

20th

2019.

respectfully submitted,

~~Dwayne Stoutamire~~
