APPELLANT'S MOTION FOR EXTENSION OF TIME

This motion is hereby filed that Appellant herein with above captioned entitled civil action; hereby asserts to the United States Supreme Court from the United States Court of Appeals for the Fourth Circuit to further declare Appellant's intent to appeal Order(No. 18-1462) on October 23, 2018, with existing balance towards current Jan. 20, 2019, deadline for compliance Appellant(still remains just a firefighter void of long term acting officer position) is seeking extension of time for an additional 45 days as a direct result of the following:

- 1). Pursuant to the Family Medical Leave Act, Appellant's wife is on a medical leave of absence from Appellee since October 29, 2018, while only receiving sixty percent of Ms. Wilson's earnings. See Ex. 1.
- 2). As a direct result of Ms. Wilson's illness, Appellant has had little time for preparation of Appellant's Supreme Court brief for appeal to assert Fraud and/or Error as related to Fraud.

3). In addition to petitioning this consolidated case, Appellant is still involved with this same Appellee in two Workers Compensation Commission cases with conflicting Orders by the Commission concerning Appellee to pay unsatisfied balance and medical bills as Appellee and VWCC appears to have engaged in Error as related to Fraud against Appellant to Appellant's financial and judicial detriment(See Ex. 2) while still remaining just an injured firefighter.

WHEREFORE; Appellant moves for this extension of time as a matter of law.

Respectfully submitted,
