Appeal Case No. 18-2865

Dear Clerk:

I filed a request for Certificate of appealability (COA) in Appeals Court for the Eighth Circuit but Appeals Court denied COA in a single page judgement on December 18, 2018 without any opinion, memorandum, and order. I am now going to file petition for writ of certiorari in Supreme Court and I believe time to file petition for writ of certiorari is 90 days from the date of entry of judgment i.e. 90 days from December 18, 2018. But before I petition Supreme Court I want to file for panel rehearing/ rehearing en banc. I dont know how long that process would take.

Therefore, this letter is a protective notice/application for extension of time in case I could not get decision on my rehearing in a timely manner. Could you please kindly send me template for writ of certiorari for pro se inmates and any other template of the forms I would be required to file in Supreme Court. Thank you so much in advance for your help. My God bless you.
