

CERTIFICATE OF GOOD FAITH

I Constance F. Russell, hereby swear that in Good Faith that the brief of her Corrected Petition for a Rehearing is being presented with a subject-matter that presents Intervening Circumstances that only this Honorable U.S. Supreme Court would have the Authority and jurisdiction to entertain.

I further certify that in good faith she has made known of she and her husband's September 27, 2019 filed Complaint and Summons that challenges the Federal Law known as the Federal Judiciary Act of 1925 for purposes of not only seeking justice, in these matters, but also to remind the courts of their need to reform a justice system that denies many of the citizens of this nation, due process and equal justice, under the law, by a flawed and Unconstitutional Discretionary Review System.

Respectfully submitted,
