RE: Jordan Alexander Clemons  
v. Pennsylvania  
No. 18-9361

Dear Mr. Harris,

I have received notice that a Petition for Writ of Certiorari has been filed with the Court on May 21, 2019.

My office is presently in the process of preparing a response to that Petition. I have a relatively small staff and I handle the majority of the appellate cases. Due to the importance of this matter, the issues raised, and the press of other business in my small office I am requesting an extension of time to respond to this Petition. Would it be possible to have an additional period of at least 60 days to respond to this petition?

Thank you for your consideration of this request.

Sincerely,

Eugene A. Vittone II
