Motion to request to an extension to submit petition of certiorari for case 18-1903

The plaintiff has appealed to the United States Court of Appeals for the Fourth Circuit in case 3:16-cv-03212-TLW which was originally filed in the District Court of South Carolina in September 2016. The plaintiff received judgement by U.S. mail on the 28<sup>th</sup> of December which was dated 20<sup>th</sup> of December 2018.

The plaintiff is working as a researcher on a part time basis at the University of South Carolina. The plaintiff's advisor, Prof. John Dawson is closing his lab after his retirement. The plaintiff is required to finish all the necessary work and submit some publications in the upcoming couple of months.

The plaintiff has basically filed this case in September 2016 due to the termination of non-white immigrant owned small cab companies and their drivers from Columbia Metropolitan Airport based on the denial access of Fort Jackson Army base.

The plaintiff requests an extension of sixty days (60) to submit petition of certiorari to the United States Supreme Court.
