SUPPLEMENTAL Brief

OFFICE OF THE CLERK
SUPREME COURT

This is Mario Laron ~~Watters~~ my prisoner ID # 91246-083. My writ of certiorari was filed on May 21, 2019 and placed on the docket May 24, 2019 as NO. 18-9419. I will like to Amend Rule 15(d) Supplemental Re Haif V. United States, which the Supreme Court held that in a prosecution under 922(g) and 924(a)(2), the Government must prove both that the defendant knew he possessed a firearm and that he know he belonged to the relevant category of persons (e.g., convicted felon, illegal alien, mentally ill, etc) barred from possessing a firearm. That's what I was charged with 922(g)(1) and 924(a)(2). I know when I went to trial they never prove that I belonged to the relevant category of persons that I was told in writing (i.e. plea agreement or waiver of rights form) or orally by the court that I were a person barred

from possessing a firearm. I will like
to supplemental that for the recorder
please. Thank you for your time
to read this. GOD Bless.
