STATE OF GEORGIA:
County of Lee:

I, Steven Jacob Seibert, being duly sworn voluntarily State and Declare as follows:

I am over The age of 18 years and am competent To give The Testimony set forth in This Affidavit. The facts given herein are based on my own personal Knowledge and Rules of the Georgia Appellate Courts and This Court, and are True, Accurate, and Correct in all respects.

I. MOTION IS TIMELY.

A. This motion is being made more than 10 days prior To The 90 Day Filing Deadline from October 22, 2018, January 21, 2019.

1. My MOTION FOR RECONSIDERATION, APPENDIX B¹, of The Georgia Supreme Court's September 24, 2018 Denial of my Application For a Certificate of Probable Cause (CPC), To appeal The denial of Habeas Corpus relief by Wilcox County Georgia Superior Court, was Timely filed on October 3, 2018 (Within 10 Days of September 24, 2018) and Denied by That Court on October 22, 2018. APPENDIX A. Order.

2. My Application For CPC had been Timely Filed on October 16, 2017.

¹ My Amended Motion For Reconsideration, APPENDIX C, was submitted on October 22, 2018, prior To my receipt of The Georgia Court's order of that Day.

a. My Amended Application For CPC, APPENDIX D, had been submitted for Filing as soon as it was able to be produced on a Computer and printed.

II.

A. The Law Library at Lee STATE Prison is scheduled to be open an average of 4 hours per weekday (Mon. & Wed. 2), 20 hours per week with only 2 working Lexis Computers for over 700 prisoners to access during that limited period of time.

1. Beginning in October - November 2018, The Law Library has only been open 50 - 60 % of the scheduled times due to prisoner "education" program "graduations", Prison employee Holiday and Warden Replacement Functions being held in the Multipurpose Area in which the library is located and extensive STATE Employee Holidays. For example: October 31st - Closed; November 1st, 2nd, 8th and 30th - only open 1 1/2 - 2 hours; November 9, 12, 16, 21, 22, 23, and 27th - closed altogether for Veteran's program, Thanksgiving, etc.. In December - January, The library has been closed more than November due to Christmas, New Years, and a change in Wardens. ie: Closed Dec. 13, 14, 19, 20, 21, 24, 25, 1/2 28th, and the 31st; in January, closed January 1, 3, and 1/2 of 4th so far.

2. Being allegedly scheduled for 2 hours per week, I averaged about 3-4 hours per month to work on personal legal issues due to library alternate assignments and closures.

III.

A. I have two other active pending cases in Georgia STATE Courts:

1. In the Georgia Court of Appeals regarding the last two Clerks of Court's failure and refusal to properly record and report two separate cases decided in my favor in Gwinnett County Superior Court in 1999-2001 and 2011-2013 which has irreparably injured myself and children; and

2. In Gwinnett County Superior Court regarding Court Officer

1
Conspiracy in an illegal malicious prosecution and other conspiratorial conduct of Court Officers under color of State Law in 2011-2013 and ongoing to intentionally prolong my illegal imprisonment by delaying my Parole or other release to conceal Court Officer involvement in a conspiracy to pirate my Insurance and Franchise related businesses and aid the maternal kidnapping of my children from 1998-2006.

B. Respondent's counsel, common to all of the above stated cases, has inundated me and the Courts with pleadings based upon known to be erroneous misrepresentations of Facts and Law in those cases to intentionally overwhelm and deplete my meager supplies of Time, paper, carbon paper, envelopes, postage, etc., to gain an unfair advantage by their numerous attorneys and unlimited resources to delay and deny my well deserved relief.

1. I am limited by Respondent's peers and GDC S.O.P. and policy to 20 sheets of paper, 5 sheets of carbon paper, 5 envelopes, and \$2⁴⁵ postage per week with one (1) pen and 1 special legal mailing per month.

My Brief and other pleadings in the case subject to Certiorari required over 800 sheets of paper and 200 sheets of Carbon paper for filing, service, and retention copies, requiring meals and food packages to be bartered for supplies.

C. I have recently had to file repeated Answers and Replies in the Georgia STATE Courts in response to Abusive litigation by Gwinnett County's counsel common to the case at issue. advancing and defending my causes in those actions.

D. The employees at Lee STATE Prison have refused to allow me access to my Records and Documents being "stored" in the property room at Lee S.P. for my alleged convenience.

E. My supplies of paper, carbon paper, Time, and energy are depleted. The GDC has refused To provide access To accepted Tools of the day or make any copies of any Court Documents or pleadings. IT therefore will Take at least several weeks To months To compile adequate supplies and postage, and To access my "Stored" legal Records and research relevant law To draft my Petition For Certiorari.

IV.

A. In September 2018, I began a Paralegal Study and Certification Course with BlackStone Career Institute with funds from my now discontinued Social Security Retirement Benefits and have completed 18 of 31 Lessons with a GPA of 99.167% in addition To allegedly having been enrolled for a correspondence course from Ashland University (Ohio) To earn a Bachelor's Degree in Communications, both of which require substantial Time To achieve desired results of excellence.

B. The Respondent will NOT be prejudiced in any manner by the Court granting me a Time Extension To File my Petition For a Writ of Certiorari.

CONCLUSION

WHEREFORE, Petitioner prays This Honorable Court GRANT This Motion for at least a 60 Day but preferably a 90 Day Time Extension for me To file My Petition For a Writ of Certiorari in this matter.

This 5th day of January, 2019.

Respectfully Submitted
