

IN THE  
SUPREME COURT OF THE UNITED STATES  
-----//-----

GREGORY STANLEY ROBERTS

Pro se Petitioner

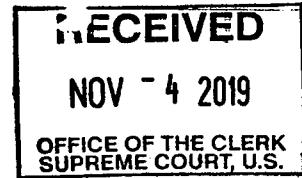

No-18-9480

INSERVCO INSURANCE SERVICES.

INC. Respondent

**PETITION FOR REHEARING /RULE 44**

This action is presented in good faith and not for delay. The evidence will show this Court of all relevant evidence received by Two Workers Compensation Judges, Workers Compensation Appeal Board Judges and U.S District Court for the Eastern District of Pennsylvania. The outcome of these proceeding were in concert and in my favor. The new evidence will show this Court, when the respondent filed their Appeal to the Commonwealth Court they omitted all relevant evidence. My attorney violated his oath of office when he also omitted

all relevant evidence. I believe that the relevant information that was not available to the Commonwealth Court, prevented the proper decision.

Sincerely

Gregory S. Roberts
