MOTION FOR RECONSIDERATION

---

This Defendant received notice via regular mail on Friday, October 11th of this Court's denial of his Petition for Certiorari on Monday, October 7th.

In light of the fact that this Court is considering 'Asaro v. United States of America' #19-107 for Certiorari and in light of the fact that this defendant's issues are identical to Asaro, involving Acquitted Conduct Sentencing and the rule of law at bar in 'United States v Watts'. This defendant humbly requests that this Court in the name of justice, fundamental fairness and judicial economy put this matter aside or hold it in abeyance until 'Asaro v United States' has been decided.

In this regard this Defendant hopes and prays that this Court will hold off on deciding on this matter until there is a final decision in Asaro. And as it should be, if there is a favorable decision in Asaro, that this court send this matter back down to the lower court for resentencing.

With all due respect please grant this pro se defendant's motion for reconsideration.

Respectfully Submitted,

October 17th, 2019
