Answered add for Legal Research Specialist. Pay online with credit card. Only address I have is researchspecialist@protonmail.com or researchspecialist@gmail.com Invoice comes by email with a link to pay. Beggars cannot be choosers. The only legal assistance I could get. Cheaper because of avoidance of Malpractice Insurance. \$37.50 per hour + contingency on award of an additional \$37.50 per hours expended in total.

4. Provide any other information that will help explain why you cannot pay the costs of this case.

Printing and mailing costs in addition up to \$1,500.00 per week additional research costs. Excess Credit Card debt now at \$70,000+. Savings is to pay off 0% cards to avoid interest getting unmanageable. At this level I can pay down by taking advantage of balance transfer offers lower rates before my 85th birthday if I'm still alive. The Petitioner lived in poverty for most of 43 years to May 17, 2017 and is creating an unmanageable debt to not leave veterans behind on the paper trail to suicide.

I declare under penalty of perjury that the foregoing is true and correct.

CHANGES IN LIABILITIES ONLY:

Credit Card debt is expected to increase from \$90,000.99 to approximately \$100,900.00 by December 31, 2019 and then start leveling off and receding provided I can continue to get cheaper balance transfer offers or get DVA back pay in an open adjudication.

(remand from the BVA supposedly due by December 31, 2021) But the DVA remanded examinations haven't occurred because the VARO Denver doesn't have resources so the "delay, deny wait until they die," is expected to continue. The last appeal took 8 years. I'll be 96 if this one takes that long or the "wait until they die" will have succeeded.
