

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

July 1, 2019

Honorable Danny Bickell, Deputy Clerk  
Supreme Court of the United States  
Office of the Clerk  
1 First Street, N.E.  
Washington, D.C. 20543

Re: *Brian Suniga v. Texas*, No. 18-9564

Dear Mr. Bickell:

This is to request a sixty-day extension of time, up to and including September 6, 2019, in which to file a brief in opposition in the above-styled cause. The Court docketed the petition for writ of certiorari on June 3, 2019. The undersigned only recently received briefing responsibility for the case and, thus, only recently received forty-four volumes of records for the trial and direct appeal. Because the undersigned is currently working on a brief in opposition in *Halprin v. Davis*, No 18-9676, due in this Court on July 15, 2019, she has been unable to begin reviewing the records for this case. In addition, the undersigned has a long-planned (and paid for) family vacation in the upcoming weeks and will not have access to wifi during that time. Thus, the undersigned requests additional time to file the brief in opposition in the above-styled cause. This is the first extension of time requested by the State.

The undersigned has conferred with counsel for petitioner, Hilary Sheard, and she stated that the requested extension is unopposed. Thank you for your consideration of this matter.

Sincerely,

s/ Jennifer Morris
