RECEIVED

MAY 28 2019

OFFICE OF THE CLERK  
SUPREME COURT, U.S.

### Question Presented

1. Can license to practice law be suspended only on the basis of remaining silent without considering the merits of alleged violation?

**The Problem:** my colleagues are afraid to exercise their rights

2. Does right to a jury trial attach when the state seeks to take-away property right to practice law?

**The Problem:** framer's intent of "We The People" is eroding.

## OPINION BELOW

Order of Immediate Administrative Suspension for remaining silent. *See* Add. pgs. 1-5. The Order is issued by the Chief Justice of the court, and single justice answer concerning law represent the entire court. *See* M.G.L. c. 211, § 20. ("Four or more justices present at a jury sitting shall have the powers of a full court. One justice present at a law sitting shall have the same authority as at a jury sitting. ")

## JURISDICTION

The jurisdiction of this Court to review the Judgment of the Supreme Judicial Court for Suffolk County is invoked under 28 U.S.C., § 1254(1).

## CONSTITUTIONAL ISSUES

Amendment VII - "In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law."

Amendment XIV- "...No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; **nor shall any State deprive any person of life, liberty, or property, without due process of law**; nor deny to any person within its jurisdiction the equal protection of the laws."

Pursuant to the constitution of the Commonwealth of Massachusetts, citizens have a sacred right to a jury trial concerning property. *See* Declaration of Rights arts. 12, & 15, and The Initiative II, § 2, at ¶ 3.

## STATEMENT OF THE CASE

This counsel advocates for civil rights and civil liberties within the courts. When the Office of Bar Counsel contacted him with a request for a response, the response was not accompanied with a warrant, nor even a subpoena. This counsel exercised his Fifth Amendment right to remain silent, and the ensuing administrative suspension is in violation of the U.S. Constitution. *See* Add. pgs. 6, to 8, (seeking administrative suspension on April 1st, 2019).

## REASONS WHY CERTIORARI SHOULD BE GRANTED

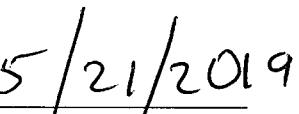

The United States Supreme Court has held that an attorney may not be disciplined solely for asserting a Fifth Amendment privilege. *See Spevack v. Klein*, 385 U.S. 511 (1967). Moreover, the concept of "We The People" has been deteriorating, *inter alia*, loss of the right for people to participate in the adjudication process is detrimental to our nation, *id est*, right to a jury, not only protects the right of the accused, but it also protects the rights of the people to shape administration of justice within the courts they are subject to.

## CONCLUSION

The petition for Writ of Certiorari to the Supreme Court of The United States should be granted.

Respectfully submitted *pro se*,
