Re: Hill v County of Jackson, et al / No. 18-963

Dear Mr. Harris:

I represent the County of Jackson, a respondent in the above-referenced matter. A Petition for a Writ of Certiorari from an October 22, 2018 decision was filed on January 22, 2019, and placed on the docket on January 25, 2019. Waivers were filed by the co-respondent City of Jackson and the within County on January 30, 2019 and February 7, 2019, respectively. On February 27, 2019, the Court requested responses to the petition. The County previously sought unopposed extensions of time due to conflicting deadlines in previously-pending matters and counsel's absence from the office for long-scheduled travel commitments and the hospitalization of her mother. Those requests were granted.

Pursuant to Rule 30.4, Respondent County respectfully requests an unopposed extension of time to and including June 28, 2019 within which to file a brief in opposition necessitated by an extreme press of business and the hospitalization of undersigned's minor child for a surgical procedure and further consultation and treatment. Medical verification is available.

This request is made in good faith and not sought for any improper purpose. I have conferred with Counsel of Record for Petitioner who concurs in the requested extension.

Thank you for your assistance with this matter. Should you have any questions, please do not hesitate to contact me.

Very truly yours,

ROSATI SCHULTZ JOPPICH
