Risk of major health crisis because of stress, health insurance is high deductible and I anticipate unreliable , so that would be financially catastrophic. Car has over 200,000 miles on it and I've replaced many parts. Shocks and rack and pinion are gone and need repair. Anticipate major car repair costs.

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

☐ Yes ☒ No

If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case.

My monthly net is \$3388.22 v. \$3361.90 expenses. Savings are exhausted. Barring quick sale of my home/condo.(which I can't do in time and will result in homelessness), if I use food & gas/basic expenses money I can technically come up with the filing fee of \$300 ,but to print with formal formatting and booklets is several thousand dollars based on inquiry to the vendors who do it. I cannot afford this. I respectfully plead that if the court denies this motion, I request the court charge me the \$300 filing fee but waive the formal formatting/ booklets requirement.

I declare under penalty of perjury that the foregoing is true and correct.
