Re: No. 18-970, Mitchell v. Tulalip Tribes of Washington

Dear Mr. Harris:

Petitioner has objected to Respondent's request for an extension of time on the ground that she will be unavailable from May 8 to May 20. Respondent would not object to an extension of time to file the response brief until May 20. Such an extension would accommodate Petitioner's scheduling concerns while allowing the petition to be considered before the Court's summer break: if the brief in opposition is filed on May 20, it would be distributed on June 4 for the June 20 conference.

Sincerely,

A handwritten signature in black ink, appearing to read 'I. Gershengorn', with a long horizontal flourish extending to the right.

Ian Heath Gershengorn
