Dear Sir/Madam,

My name is Marcus Davis case number 18-1237 and I am requesting more time to put together the WRIT OF CERTIORARI. I have been fighting a wrongful foreclosure for years by myself and I am now searching for an attorney to help me get to the finish line. I have been sending out my information but I have not gotten anyone to take me on yet. I know there is someone out there that will help me I just need more time to find them. I am asking for 6 months - 1 year to do so. It is not easy doing this alone but I know that in the end I will get this done the right way and hope that, the Supreme Court will hear my case. So far all of the attorneys that I have spoken to are so surprised that i have gotten this far alone but just don't have the time to take on a case like mine. I believe if you give me the time I am asking for, I will be able to submit the paperwork and wait for your decision.

Thank you for your attention.

Yours Faithfully,

Marcus H Davis

SUPREME COURT, U.S.

UNPUBLISHED**UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT**

No. 18-1237

MARCUS DAVIS,

Plaintiff - Appellant,

v.

UNIVERSAL AMERICAN MORTGAGE COMPANY, LLC; OCWEN LOAN SERVICING, LLC; HSBC BANK USA, N.A., as Trustee on behalf of ACE Securities Corp. Home Equity Loan Trust and for the registered holders of ACE Securities Corp. Home Equity Loan Trust, Series 2007-ASAP2, Asset Backed Pass-Through Certificates; MORTGAGE ELECTRONIC REGISTRATION SYSTEMS, INC.,

Defendants - Appellees.

Appeal from the United States District Court for the District of Maryland, at Baltimore.
Marvin J. Garbis, Senior District Judge. (1:17-cv-03110-MJG)

Submitted: November 29, 2018

Decided: December 3, 2018

Before DUNCAN and KEENAN, Circuit Judges, and TRAXLER, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Marcus Davis, Appellant Pro Se. John Alexander Nader, MCGLINCHEY STAFFORD, PLLC, Washington, D.C., for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Marcus Davis appeals the district court's order dismissing his complaint challenging a completed judicial foreclosure. On appeal, we confine our review to the issues raised in the Appellant's brief. *See* 4th Cir. R. 34(b). Because Davis' informal brief does not challenge the basis for the district court's disposition, Davis has forfeited appellate review of the court's order. *See Jackson v. Lightsey*, 775 F.3d 170, 177 (4th Cir. 2014) ("The informal brief is an important document; under Fourth Circuit rules, our review is limited to issues preserved in that brief."); *see also Brown v. Nucor Corp.*, 785 F.3d 895, 918 (4th Cir. 2015) ("Failure of a party in its opening brief to challenge an alternate ground for a district court's ruling waives that challenge." (alteration and internal quotation marks omitted)). Accordingly, we affirm the district court's judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
