Cause no: 18-55636

Request for an extension
of time to file
Certiorari

(D.C.No.2:17-cv-06072-GW-MRW)

Petitioner Comes now before this Court to humbly ask for an extension of time to file Writ of Certiorari

Petitioner request for appealability was denied in the UNITED STATES COURT OF APPEALS DEC 21 @!* 2018. Petitioner understands very few cases are granted in this Court and believes one would even ask for time extension would be a waste. But i truly believe and know that once a case like mine is heard it will set the ground work for change amoung our judicial system, not just for myself but others.

Im not sure how to file an extension because ive been $\frac{1}{2}$ preparing this for some months now, i actually have not read how i would do that and because i dint think i would need it, but i humbly ask this Court for 45 day extension due to myself doing extension and extensive study because what will be presentedf wil;l have the laws of the Constitution deeply in question and the complete process of the judicial system. After my submission im sure you will make many changes to the process of laws on more than one aspect.

Sincerely Yours

Kelvin D Fields
