[Re: APPLICATION OF EXTENSION OF TIME TO FILE WRIT OF CERTIORARI]

ATTN: Lisa Nesbitt, Clerk for the U.S. S.Ct.

I'm applying for an "Extension Of Time" to file a writ of certiorari for the following reasons: a.) I'm Legally Blind; b.) I have about three (3%) percent of vision in each eye; c.) When I'm in any light, my become foggy, or it looks like I'm looking through a fog; d.) I only have about six hours a week of law library; e.) My prescription glasses are very old; f.) I did twice try to purchase a new pair of prescription glasses from two (2) different Optometrist who may have been told by this administration NOT to make a proper pair of glasses, because when I received them they were both three too four prescriptions off; g.) I even went to court & the Judge would NOT even here ONE CLAIM, WHY? Becausee the Judge refused to ensure the Civil Complaint was under the proper Jurisdiction, as I wasn't an INMATE anymore but a "SLAVE" now. And all the Judge did was WAVE my evidence away without saying a word. My Aunt (Tia) & Cousin was there at that hearing.

So I've been Illegally incarcerated since the Hawaii S.Ct made there Ruling in Oct. 1, 2007; and the U.S. S.CT. made their Ruling in Feb. 20, 2007. So would this U.S. Supreme Court have proper Jurisdiction over me as I'm under the thirteenth Amendment of the U.S. Constitution. this Application may fall under RULE 13.5; And my family is trying to obtain a Paralegal to help me with all my legal situations.

RESPECTFULLY SUBMITTED
