v.
United States

Appeal Court Docket #18-1995
For Appeal Court of 2nd Circuit
New York, NY. 10007-

Motion for Extension of time to
File Writ of Certiorari

Relief Sought! I just received today information
From Appeal Court that my Appeal was ~~Denied~~ ~~RT~~
Reconsideration Reconsideration En Banc

was Denied on April 31st 2019 which was
nearly month and week ago and I mailed
to Appeal Court for All papers and Instructions
on how to file Writ of Certiorari And sending
that out to Appeal Court today so clearly I
don't even have Instructions or forms to

start filing Writ of Certiorari And Also I'm
in STL because some one attacked me in
night here at Ashland so my Resources are
limited for another good valid Reason for
An Extension of time to file Writ of Certiorari
so I Ask for Relief Since month and week

has went by since Denied at Appeal Court
Relief Sought: Please Give me Extension of time
to file Writ of Certiorari - I don't even have forms
to fill out Writ of Certiorari And that's valid Reason

for Extension Because I just received notice of denial of Reconsideration

Please & Thank You - ^{May 9, 2019} Today's Date Signature Ronald Tuttle FCI Ashland
