OFFICE OF THE CLERK
SUPREME COURT OF THE UNITED STATES
WASHINGTON, D.C. 20543-0001

Dear Honorable Judge,

Your honor I do apologize for not responding in the allot time giving. This has been very exhausting for me fighting for a good cause as an African American female working in a male dominant field. Fighting for equal opportunity and Equal Pay (Work Place Fairness).

The anti-discrimination legislation that exists today has come about because of the struggles of previous generations of workers in defense of their rights.

Your Honor it is very hard to find an attorney willing to take on my case. So I am seeking out in other cities which is very time consuming.

Please accept this letter as requesting for a time extension of additional 60 days.

Thanking you and your staff for your gracious time.

Sincerely,

Jacquelyn Edwards
