Motion for Extension of Time.

S. MCEWEN, WARDEN

I MAXIMUM HERRING hereby in Pro Per Respectfully Request this Court To issued a 30 day extension of time. I HAVE ATTACH a declaration and exhibits in support of The request

DATE: 4-24-19

HERRING. n

DECLARATION

ON or about Jan 28 2019 The NINTH Circuit Court of Appeals DENIED my motion for Reconsideration. [see Exhibit A]

I did NOT receive The denial until 1-31-19 [see, Exhibit B]

However, Prior To The denial I received an order from The Superior Court of Orange County denying my STATE Petition for writ of habeas corpus. [see. Exhibit C]

I thought I could multi-TASK and complete both TASK.. However, I am unable.

In the STATE Superior Court one has A General 60 day Time limit to Appeal The State Courts decision. I timely submitted the writ to The Appellate Court. And The STATE Court did NOT summarily deny The petition, thus, I have an upcoming informal reply if The STATE Attorney General Responds. [see Exhibit D]

Therefore, I am unable to send This Court A QUALITY request for A "Certificate of Appellability". I humbly Request A modest 30 day Extension of Time.

I declare under The Penalty of perjury The Above Stated information is TRUE and Correct on this day of April 24 2019
