Re: Janice Stevenson v TND Homes I LLC, No. 12581

Dear Mr. Harris:

As Pro Se in the above-referenced case, I am responsible for preparing a Petition for Writ of Certiorari, currently due July 21, 2019. I am writing to request an additional sixty days, to August 20, 2019, to complete and file that brief.

Appeal is taken pursuant to 28 U.S.C. § 1257 (Final judgments or decrees rendered by the highest court of a State where the validity of a statute of any State is drawn in question on the ground of its being repugnant to the Constitution, treaties, or laws of the United States, or where any title, right, privilege, or immunity is specially set up or claimed under the Constitution or the treaties or statutes of, or any commission held or authority exercised under, the United States.)

This is Petitioner's first request for an extension in this case. Even giving this matter priority, Petitioner will be unable to prepare a satisfactory response to the Petition by the current date due to my homelessness, my medical treatment, and printing difficulties. An enlargement of sixty days is reasonably necessary to prepare an adequate response.

Thank you for your consideration.

Respectfully submitted,

Janice Stevenson
