Now comes Mark Bennick, pro-se, and hereby applies for an Order from a Judge Clarence Thomas allowing for an extension of time of sixty (60) days to and including November 5, 2018 which to file a petition in this Court for a writ of certiorari to the United States Court of Appeals for the Federal 11th Circuit.

In support of said Application, the undersigned relies upon the following facts:

1. On June 5, 2018, the United States Court of Appeals for the Federal Circuit denied Mr. Bennick's petition for rehearing, making petition for writ of certiorari due in this Court on or before September 5, 2018;

2. Mr. Bennick is a patient at the MAYO Clinic in Jacksonville, Fl. Since the Courts denial for rehearing he has been to and from Huntsville, Al. and MAYO several times to have neurological conditions tested and consulting with physicians and surgeons. Mr. Bennick's primary neurologist at MAYO is not available until August 20, 2018 for consulting whether or not to pursue neurological surgery. His ability to commit adequate time focused on a Writ has not been available.

3. The undersigned has not yet determined whether to file a petition for writ of certiorari in this case. The additional time will include time to prepare the petition and print it.

4. No prejudice will be caused by the granting of this motion.

5. This request for extension of time is more than ten (10) days ahead of the due date of a Writ of Certiorari.

Respectfully submitted,

 8/16/2018
Mark Bennick
