US Court of Appeals
Third Circuit #14-4676

I hope all is
going good with family and career.

I would like to put
into perspective that this is my new address till further notice. I do not have
my property or legal documents yet from the previous address in Walspole, MA, 02071.

I am waiting for my
legal documents so I can send this Court the writ of Certiorari that is already drafted,
now I do not know how long it will take as I have a Court deadline with this Court
by July 4th, 2018 to present my writ of Certiorari, I'm also waiting for my previous
Account statement so I can provide it to this Court all in good faith to litigate this
case in a good manner.

The staff here are also
working on my behalf in reaching out to my previous prison to be able to obtain my
Account statement so I can provide it to this Court.

Being my transferred serious
situation of lack of certain documents to present to this Court, I need a little
extension as it is out of my hands in how long my court documents will reach me, but I'm
doing all in my power and will be able to get this Court all proper documents, I just
need this Court's permission and to consider my current predicament.

I'm gonna write my previous
prison to send me everything in which I'm working with Court deadlines.

I hope this has addressed
properly my situation and I hope this court takes my situation under consideration
in all perspectives please and thank you for your time to this matter.

P.S.: If my response happens to arrive
sooner I'll be sure to send this Court
the writ of Certiorari but the account
statement is on the prison to provide in
which I have no control of but will continue
to seek all proper documents to present to
this Court respectfully. please also understand
I have a mild tunnel vision change syndrome in
which I wrote this by hand, the best possible way.

Sincerely, J. Diaz - pro-se
