Motion For Enlargement Of Time

Petitioner, Jeffrey Ware, proceeding under Supreme Court Rules 13 and 30 respectfully requests the Court to grant him a 60 day enlargement of time in which to file a Certiorari Petition. In support of this request, Petitioner Ware would state:

1. Petitioner sought review of his State Court conviction in the eleventh Circuit Court of Appeals.

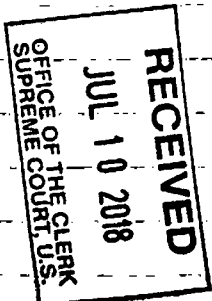

2. On March 14th, 2018, the eleventh Circuit denied Petitioner's C.O.A. Request. (Rehearing/Reconsideration denied on May 3rd, 2018)

3. It is Petitioner's intention to seek review in this Court through a Petition for Writ of Certiorari, (Petition due August 1st, 2018).

4. Although the 90 days provided by rule to seek review is liberal, it is insufficient for Petitioner.

5. Petitioner has a limited education and therefore must rely on others for assistance.

6. There are only two certified law clerks to serve the entire inmate population at his institution and these-

For there is a considerable delay in receiving assistance,

7. 60 days is sought to ensure that Petitioner has adequate time and will not possibly have to come back to the Court requesting additional time.

Wherefore, Petitioner Ware respectfully requests a 60 day enlargement up to and including September 30th 2018 to file a certiorari petition.

Respectfully Submitted
