

Dear Madame or Sir,

I'm in a very humbling situation as I can't afford representation to further my efforts at not only freedom, but getting my name cleared and putting behind me this nightmare that is very surreal in my life. My appeal Attorney, Angela Cochran Morgan has exhausted her Attempts with the Court of Criminal Appeals and in the Supreme Court of Alabama, though I do commend and appreciate her efforts.

Back in 2014 I was attacked by a man with a machette who would not stop his attempt at taking my life. The end result is that I had to take his in self defense. I've enclosed a brief summary of the events that my court appointed appeal Attorney provided the state and along with that is the Court of Criminal Appeals decision which also the Supreme Court of Alabama gave no opinion. If better evidence at trial would have been presented at my trial, I believe it would have had a different outcome. I feel that I've been categorized as guilty before I was ever given a fair chance to prove my innocence. My attacker had a criminal history of Arm robbery, kidnapping, and rape I found out later, after our confrontation occurred. I truly was defending my own life from a man who had no respect for life. I've been informed

that I only have 90 days as of August 10th,
2018 to Appeal to the United States Supreme Court.
I respectfully and humbly need your help.
Phone records were not presented at my trial to
establish my right to be on his property. Also,
I never got the chance to speak with the
investigators while an Attorney was present.
I've pointed out other things as you will
see in the briefing to the Court of Criminal Appeals.
I can't undo what's been done, but I stand
firm as a man who was defending himself.

I Thank you, Sincerely, for any help
that you can give me,

David P. Wooten

To the Supreme Court of The United States,
I'm requesting an extension on the 90 day
period to file a petition for writ of certiorari
which began on August 10th, 2018.

I need more time so that I can
attain an Attorney to help me with formal
proceedings in this matter.

Thank you
