

SUPREME COURT OF THE UNITED STATES OF AMERICA

DANIEL WHITE,
Petitioner,

v.

SECRETARY, FLORIDA DEPT. OF CORR.,

Case No. _____

11th Cir. No: 17-13765

District No: 6:15-cv-01560-RBD-DCI

ATTORNEY GENERAL OF FLORIDA, ET AL,
Respondent.

MOTION FOR EXTENSION OF TIME

Petitioner, Daniel White, *pro se*, pursuant to Rule 30, Supreme Court Rules, moves this Honorable Court for a sixty (60) day extension of time to file a petition for writ of certiorari in this case, and in support shows the following:

1. Petitioner has until July 5, 2018 in which to file a petition for a writ of certiorari in this court.
2. Petitioner intends to file a petition for writ of certiorari in this case; however, an extension of time is necessary in order for Petitioner to perfect one.
3. Petitioner is a *pro se*, litigant, totally untrained in the art of jurisprudence, and is in need of additional time in which to research relevant case law in support of his issues he intends to present to this court.

4. Due to the need to seek assistance and the many limitations which Petitioner is presented with in his daily activities in the institutional environment, an extension of time is needed to properly prepare the writ of certiorari in this case.

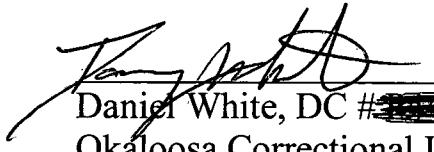

5. Even though this request is not filed less than 10 days before the final filing date as required by Rule 30.2, Petitioner's *pro se* status and accompanying circumstances as an incarcerated inmate warrant extraordinary circumstances.

6. This request is filed in good faith and is not intended to unduly disrupt the order of this court. Petitioner has never asked and/or received an extension of time.

7. Petitioner, since June 1, 2018, has been housed in Administrative Confinement and can only access the law library and legal materials via correspondence (see #5 above).

WHEREFORE, Petitioner prays this Honorable Court will grant a sixty (60) day extension of time to file his petition for writ of certiorari.

Respectfully submitted,
