MOTION FOR EXTENSION OF TIME TO FILE WRIT OF CERTIORARI

DUE TO MEDICAL ISSUES

Comes now the petitioner, Mr. Yamura Hudson, hereby pro se humbly before this Honorable Court to request for a Extension to file his Writ of Certiorari from the Denial of the 2255 from the 11th Circuit ,that was entered on Sept. 19,2018. The petitioner sent for a Writ of Cert. packet to this Court on 11/13/18 but as of this filing has not received it from the parties.

However, the petitioner has been suffering from medical issues and has just been informed today (12/19/18) that he must be immediately transferred to another medical facility due to the medical issue that has worsened and even may need emergency surgery. Because of this, I will not be able to carry my legal material and because I have not received the Writ packet at this time, I pray that the Court Grants a 90 day extension for me to file the Writ of Cert. (See attatched Denial Order and Request for Cert Packet). Thank you for Granting the Extension.
