REQUEST FOR EXTENSION OF TIME
TO FILE PETITION FOR WRIT OF CERTIORARI

COMES NOW, the Petitioner Robert N. Brooks, acting on his own behalf (Pro-Se) and would respectfully request this Honorable Court for extension of time to file his Petition for writ of certiorari, for review by this Court of the denial by the United States Court of Appeals for the Fifth Circuit of Petitioners request for Certificate of Appealability (COA). Denied by the Court on September 10, 2018, Petition for rehearing Denied on October 11, 2018.

This Court has jurisdiction pursuant to 28, U.S.C. § 1251 and Rule 13.5. of the U.S. Supreme Court Rules.

Petitioner submits that he is unskilled in the science of American jurisprudence, and has learned what little he knows of the law through empiricism. As a pro-se litigant, Petitioner is overwhelmed by the complexity of our legal and judicial system and has solicited the help of inmates law clerks to assist him in preparing and filing his petition. Petitioner has to also prepare and file two cases which have been consolidated into one.

In addition, the equipment here at the facility where Petitioner is currently incarcerated ie., typewriters and copy machine are currently out of order or either barely functioning, which makes it very difficult to prepare and file briefs when there is only one typewriter for two hundred and fifty inmates. Because of the difficulty of having to prepare and file his writ of certiorari while simultaneously learning the laws and rules governing such filings Petitioner would respectfully request this Honorable Court grant him and additional 60 days in which to prepare and file his writ of certiorari, which would make his Petition due no later than Thursday, March 14, 2019.

Respectfully submitted,

Robert N. Brooks
