

Honorable Justice Ruth Bader Ginsburg
Supreme Court of the United States
1 First Street
Washington D.C., 20543

February 16, 2019

Honorable Justice Ginsburg:

First, I would like to thank your Honor for granting my request in August 2018 for giving me additional time to file my brief with the Supreme Court. I did file my 40 Copies petition and the appendices for my case on November 3, 2018, but they were all rejected because they did not satisfy rule 14. I am sending herewith Copy of Brief and Appendix of November 3, 2018.

I would be eternally grateful if the Honorable Court can accept the 50 Booklet of my appendix in the 8.5 by 11-inch format and allow me the 50 Booklet of brief in 6 1/8 by 9 1/4. I, my daughter and my son tried. We could not make appendix to the Margin 6 1/8 by 9 1/4. I tried my best to reduce words in Brief. But I do not want to lose my Case without giving proper Evidence. That is why my new Brief is 12011 word instead of 9000 word. I am sending herewith New Brief and I requesting Honorable Justice grant me 12050 word in my Brief. I shall be eternally grateful to Honorable Justice.

Respectfully submitted,
