Re: Jeffrey Chronister #189827 v. State of SC
Appellate Case No. 2017-000668

Dear Mr. Chronister:

We have received your second request to proceed in forma pauperis dated April 10, 2017.

This Court will not entertain a petition for rehearing on a decision of the Court that did not have the effect of finally deciding the appeal, pursuant to Rule 221(c) of the South Carolina Appellate Court Rules. No further action will be taken on this filing. Furthermore, you must provide a \$25.00 filing fee before we will consider your motion for an extension of time to order the transcript, as well as the \$100.00 filing fee as directed by the Court in our April 14, 2017 order. Both fees must be paid within ten (10) days of the date of this letter, or your appeal will be dismissed.

Very truly yours,

V. Claire Allen, Deputy

Appellate Case No. 2017-000668

ORDER

Appellant has filed a petition for rehearing, which this court construes as a petition to reinstate this appeal. After careful consideration of the petition to reinstate, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting the petition. Accordingly, the petition to reinstate is denied.
