Re: No. 19-1094, *Dailey v. Florida*

Dear Mr. Harris:

Pursuant to this Court's orders of March 19 and April 15, 2020, and the Covid-19 Guidance issued by the Clerk's Office on April 17, 2020, petitioner moves the Court to delay distribution of the petition for a writ of certiorari in this case for three weeks, from May 26, 2020, the currently scheduled distribution date, to June 16, 2020.

The petition for a writ of certiorari was docketed on March 5, 2020, and after a 30-day extension of time respondent State of Florida filed the brief in opposition to the petition on May 6, 2020. In light of the work interference caused by the Covid-19 pandemic, petitioner will have difficulty filing a reply brief on the ordinary schedule. A three-week delay in distribution of the petition would allow petitioner to prepare a reply brief that fully addresses the points raised by the State in its opposition to the petition, and therefore that is of greater assistance to the Court.

Counsel for respondent has informed us that the State has no objection to this motion.

Thank you for your assistance.
