STATEMENT OF THE CASE

Come now Veteran James Beggs and his wife Joyce Beggs Owner of Angel Field Farms, preserving the Food History and Farming Secrets of the Contraband Slaves given to them by Native Americans overlooking Fort Monroe. Said Petitioners James Beggs and his wife Joyce Beggs are the Appointed Guardians of Lauryn Beggs Grandchild by her Natural Father August 1, 2016 who gave Emergency Custody to them July 20, 2016 by Said Veteran deprived of Federal Jurisdiction of an FBI investigation by Officers of the Court in these complex cases. Using Chain Conspiracy plots under Title 18, U.S.C., Section 241 & 242 along with on-going concealment his Military Static. Creating a Sham Defense-being. As true facts shows him as a Missing Patient under the care of the Hampton Veteran Administration Hospital; suffering from Mental and Physical Injuries from Afghanistan by Fraud on the Courts causing a Miscarried of Justice in complex cases' by all Respondents voiding Federal Constitutional Rights of all Petitioners, causing the Virginia Supreme Court to Denied Petitioners Guardianship Documents in Case No: 190102, Violation under U.S.C. 42 1983.

As Respondent Cunningham and Lindsey allegedly used Good Standing Insurance Companies, and Conflict of Interest, searching Petitioners Church Members for a Federal Judges in the Newport News Federal Court because Petitioner Joyce Beggs is a Black Republican who received help from the Late Senator Jesse Helms. Forcing Petitioners to Ask Hampton Police Department at Fort Monroe to watch over their Church Members and Family. Needing Review under Article III section 2 of the United States Constitution. Said Case No: 190102 were the last of said Complex Case No: 181048, Case No: 180512, Case No: 181525, Case No: 180959, Case No: 181224 all needing review arising out of the same transactions.

Voiding Petitioners Federal Rights, their Military Power of Attorney of their son to be present at all Motions Hearing who is a United States Veteran Name Cornelius Bobbitt Beggs" hereas "Side Veteran" along with Federal Jurisdictions under President Obama Presidential Executive Order 2016 to Continue Mental Heath Care Treatment with the need medications and Act of Congress Supporting Military Families.

With Conspiracy to Block Due Process of All Petitioners, with a Veteran suffering from War Injuries deprived of effectiveness of Counsel, needing continued Medical Treatment not reported or reveled to the Virginia Beach Court System or Judges, nor Virginia Beach Correctional Facilities, citing the inferential facts in Bucy v. Nevada Construction Co. (C.C.A.9th, 1942) 125 F.(2d) 213. ² While taken Advantage of Petitioner Joyce Beggs who suffers from Dyslexia under the American with Disability Act who has studied the law to the best of her ability, while suffering plots of Estoppel Actions and Terrorism with Fraud on the Courts of the Virginia Beach Court Systems, up to the Virginia Supreme Court and Cunningham Lindsey U. S. Inc. in Newport News Federal Court Systems. With the same Conspiracy used in the Hampton Circuit Court N0: 06-931 allegedly creating the misuses of State Farm Insurance Companies of plots against Petitioner Joyce Beggs and her children in Hampton Circuit Court USSC N0: 06-931.

because she is a Black Republican who received help from the Late Senator Jesse Helms. Ending with the Late Virginia Del. Tom Gear crossing over to the Petitioner Joyce Beggs Republican Party in Virginia to help his Sister Attorney Kathy Gear-Owens: who was an Attorney in Case No: 06-931. Just because of a Misunderstanding of Joyce Beggs Research on Contraband Slaves in Phoebus Section of Hampton Virginia. As said Town is nicknamed "A Little Chicago".

Whereas Petitioners alleges Cunningham & Lindsey U. S. Inc. from Virginia Beach, played a Major Part in plots against Petitioners under Title 18, U.S.C., Section 242 while misusing Good Standing Insurance Companies Abusing their Adjuster Manual From FEMA.Appealed to the Fourth District Court in pending case No: 19-1859. As Other Respondent used the same Parental Alienation with "Said Veteran" used against same Black Families by Abuses of Power and Quite Terrorism that have the Power to undermine any City, State, Government System of Laws, Court Room, the Virginia Historical Constitution, Act of Virginia General Assembly, Act of U. S. Congress. As Respondents updated their Terrorism Conspiracy to void all Petitioners Presidential Executive Orders and Federal Human Rights Laws with 3 different Court Systems in Virginia. With Participants being rewarded Higher Job Placements, Houses, Land, Ready Made Businesses and Bad Faith allegedly to get their Legal Fees paid for by Good Insurance U. S. Companies.

Because of hate against a Black Republican done with a smile against a Trusting Christian and her Family. Females Respondents who worked hard to control "Said Veteran" Attorneys of Record: may have allegedly threatened their Legal Careers. Needing this U. S. Supreme Court to Protect the Legal and Medical Field for all forms of Terrorism that Voided U. S. Citizens Federal Constitutional Rights and Safety.

Ending all Chained Conspiracy that misused the Hampton Circuit Court that ended in a Miscarriage of Justice for Petitioners in USSC Case No: 06-931 for Retaliation to destroy Petitioners and Children like a Chest Game.³

Showing Petitioner Joyce Beggs Research of her own Great Grandfather footsteps on Contraband Slave History was "Completely Misunderstood" that caused Suffering of Terrorism and Conspiracy that has continued for over 20 years. Continued on July 20, 2016 with

³ Noting Petitioner Joyce Beggs had help of Democrats and Republicans working together on Battered Woman Legislation Research across the United States. Meeting Staff from the Late Senator Jesse Helms Office "in shock he was a nice caring person wanting to learn the Facts" with a great Staff and Supporters caring for Petitioner Joyce Beggs and her children. Placed in the Historical State of Virginia for over 30 years ago in the Beautiful City of Newport News. Who just wanting to be a Farmer; just like her Great Grandfather who received his freedom from Fort Monroe, as Children had goals of Homeownership, as Counselors taught them to save their weekly Allowances for years.

Large Pictures of Republicans Leaders and their Wife's would show the unacceptability of Black Republicans being very dangerous for any Black Families. As a Virginia Beach Social Worker discriminated against Petitioner Joyce Beggs' for her Republican Pictures in her Office July 20, 2016, overlooking a Picture of Martha Luther King in one room she walked in, talking on the Phone, and camping out at the Petitioners Home; knowing "Said Veteran" gave "Said Child" to the Petitioners during a family emergency before driving off without explanation. As if he was still thinking he was under Attack July 20, 2016 from someone.

As the False Statements he kidnaped his own child leaked to the Media as a plot to denied Emergency Custody and Guardianship in Case No: 190102 Petitioner filed, but falsely showed Respondent Beverly Story as Plaintiff, not corrected by the Clerk Office. With Fraud on the Court, Leading to a Jurisdictional Plea Deal of Bad Faith with "Said Veteran" November 13, 2019 by his Own Attorneys of Record Afshin Farashahi in No. CR17-001285: "Allegedly caused a case-within-a-case" in these complex cases pulled to joint or was over-powered. Citing *Fiske v. Buder*⁴

⁴ Citing *Fiske v. Buder*

"Turning to the question of the nature of the fraud complained of as a ground for relief, it is the rule that fraud is extrinsic or collateral within the meaning of the rule when its effect is to prevent an unsuccessful party from having a trial or from fully presenting his case, as, for instance, when his attorney fraudulently connives at his defeat or sells out his client's interest".

Blinding the Eyes of Justice by voiding "Said Veteran" Military Service and Serious Medical Care, received from the Hampton Veteran Hospitals as Mental Tricky Blocked any Rights to an Appeal for Retaliation of Supreme Court Case No: 06-931 Using Parental Alienation and suffering Fraud on the Court with Cunningham Lindsey U.S. Inc.

Needing this Court Discretion to Protect the Newport News Federal Courts System from being affected by Chain Conspiracy under 28 U.S. Code 2101 (E) against any Citizens, Companies, Government, and the United State Constitution and Acts of Congress in their Jurisdiction, used by all Petitioners who are Officers of the Court in these Complex Cases used Unidentified Compacts Of Females. That caused a conflict of Interest using A Newport News Federal Judge in Court Case No: 4:17-cv-00110 to also Blind the Eye of Justice by Conspiracy with continued Quite Plots Terrorism in Voiding Federal Constitutional Rights against Petitioners. Causing Petitioners that is undecided as Petitioners complained to a Federal Judge of the Cruel and Unusual Treatments that "Said Veteran" received from his own Attorney of Record. Same Fraud on the Courts Citing Bulloch v. the United States, 763 F.2d 1115, 1121 (10th Cir. 1985)⁵

⁵ Court stated, "upon the court is fraud which is directed to the judicial machinery itself and is not fraud between the parties or fraudulent documents, false statements or perjury.

Petitioner Joyce Beggs Misunderstood Research

The Petitioners Historical Home sits on Shepard Mallory Farming Land who was the first of 3 Contraband Slave at Fort Monroe. Who farmed with Petitioner Joyce Beggs Great Grandfather and an Ex-Slave Named Mr. James Kirkpatrick who was truly his Master Builder before receiving his Freedom. Who brought Land from Shepard Mallory Historical Property with the payment of a Muscadine Grapevines, that is still growing on the property on Mallory's Property on 212 Downes Street in Hampton completed after the Civil War by the Ex-Slave James Kirkpatrick. Built beyond Building Codes of today to last throughout the Generations. Making the Land given to them and her Great Grandfather from the ruins of the burn down Chesapeake City at the Mouth of Fort Monroe their legal properties before the Civil War that ended on April 9, 1865. Could be one of many Motives of suffering a misunderstanding of their Family Tree History. Facing Terrorism for no reason. Petitioners worked hard to listed their home under Historical Places December 2006, but somehow missing. Suffering the same Terror From Case 06-931 where the Petitioners had to move their children to the State of Kentucky to take Classes at the City of Hampton Code and Compliance Department to study to learn Construction and the Law with the help University of Kentucky and Williams and Mary Law Libraries to made repairs to their Historical

home. Rebuilt Kirkpatrick's Grandchildren in 1961-1964: noting Late James Kirkpatrick also helped the Late Mr. Harrison Phoebus; Rebuild his Hotel at Fort Monroe. Along with the Petitioner Joyce Beggs' Great Grandfather.

Showing the Late Harrison Phoebus who gave her Great Grandfather is First Paying Job with so much Love in his Heart: "Did Not want Phoebus to become a Little Chicago, where Petitioners are treated as second class citizens.

Suffering from Terrorism and Conspiracy under 42 USC 1983, after July 20 2016, as Petitioners were forced to get Loans for Flood Water Clean up from Hurricane Mathews, using their own building skills and paying over 10,000.00 in Carpet, 20,000.00 to replace new Heating Ducts, Electrical and Supplies to repair sub-floors and water damage.

Unable to replace personal Items, Tillers, Tractors, Tools, Gardening Equipment and Personal Items

As Cunningham Lindsey U.S. Inc., from Virginia Beach knew Petitioners Grow their own Historical Food Supply and is the Frist Home under floodwaters.

Even though their Home do not set directly on the Water Front, but having a Clear View of Fort Monroe a Custom of Contraband Slaves Families. And the only home with all heating and air condition ducts under their low laying home: watching in pure terror as other Neighbors are fully covered.

Forced to Stop studying the Law, to Physically Repairing their own Historical Home before Visitation with "Said Child". As Respondents from Virginia Beach used factual information in Petitioners Pleading and Motions to use in Conspiracy Plots making Connections with the City of Phoebus Section of Hampton from Virginia Beach in Bad Faith taken advanced of Petitioners Quiet Abilities to Repair their Home with their own skills.

Knowing the Petitioners needed over 10,000.00 in Emergency Funds just to get started on Basic Flood Cleanup to replace Duct System and under their house and Carpet.

As Respondent Cunningham & Lindsey U. S. Inc., Blocked Petitioners from any flood recovery during Hurricane Mathew to cause financial hardship offering them less than \$4.00 forcing Petitioners to Farm by Hand until slowly replacing only 20 percent of their Gardening Equipment while Fighting for Justice caring for the medical treatment of "Said Child".

As only Petitioners Neighbors are fully covered under FEMA Program by their Insurances Companies because of the Hatred for a Black Republican, misusing the FEMA Federal Program by voiding the needed statically information to be reported of their Home under Base Flood Elevation (BFE), to elevate their Historical Home.

Knowing Petitioner Joyce Beggs Promised her Black Community in Phoebus to care for the Only Home Built by the Hands of a Contraband Slave. Suffering Terrorism of their Historical Home in USSC. Case No: 06-931 before moving their children back to the Phoebus Section of Hampton, Virginia faced continued unexplained Terrorism Actions after receiving much Love from the Citizens of the State of Kentucky.

Said financial hardship, voided them from hiring any Attorneys for "Said Veteran". Forced them to use their personal skills of Constructions for Flood Clean-up, taken away time for Legal Studying during legal Deadlines to causing continued Terrorism, as their farm "Angel Field Farms" suffered from Computer Interferences and Crushes of their Online Seeds Business mysteriously deprived of online Visitors until Legal Deadlines. Showing Petitioners should not have to suffer under a misunderstanding of her Research. Have the power to void important Black History and Properties from Contraband Slaves, as History lost when the City of Hampton incorporated the Town of Phoebus in 1952. ⁶

⁶ Petitioners land sits on parts of a Battalion, Said Butler Give to Shepard Mallory. Showing Petitioner Joyce Beggs has suffered Conspiracy Plots of Civil Terrorism, researching her Great Grandfather who was among many who receiving their Freedom during the Civil War under President Abraham Lincoln Emancipation Proclamation on January 1, 1861.

It was the Petitioner Joyce Beggs that learned the forgotten history of her Family Tree of Contraband Slaves. Learning that Republicans Died for her Family Freedom across the United States for the First time in her life.

Only knowing as a Child; she wanted to be a Farmer like her Great Grandfather. Knowing only he was helped by Cherokee Native Americans from South and North Carolina to get to his Freedom; Unnecessarily suffering conspiracy used against their children by Parental Alienation to collect privet information of a Military Family to destroy them is a Criminal Offence.

In Studying the Effects of Parental Alienation by researchers; Jennifer Jill Harman, Edward Kruk, Denise A Hines; Learning from them that Parental Alienation is a deliberate attempt to break a child-parent relationship.

With them feeling it should be classified as child abuse. Contraband Slaves suffered the same types of abuses after the Civil War Ended around Forth Monroe, to take their property given to them Months before the Civil War Ended as conspirators was compensated with better jobs, illegal gifts, trips or free services for helping in of segregation terrors.

With Petitioners feeling it should be a Federal Crime used by Wheels of Conspirators in plots from any Neighborhood, any Officers of the Court, Military Base, or Correctional Facility to Spit Black families using Invisible Tactics that will continued to destroy Black Man of African Americans by control American Citizens by conspirators as a groups destroying Citizens who have a different Political View or to take their Historical Properties by Abuses of Power, or Plots to take their Freedom as suffered by "Said Veteran" Placing "Said Child" Illegally in Foster Care while destroying the Petitioners.

Petitioner Joyce Beggs ⁹ believed "The Late Lysa Story was trapped in a box"

Reason for Granting

Petitioners Writ of Certiorari

The Abuses under the Six Amendment of the U. S. Constitution caused all Petitioners irreparable harm in all case and using Parental Alienations, by telling 'Said Veteran'; the work Petitioner Joyce Beggs with the Late John McCain and Virginia Senator Mark Warner was not a good Ideal, blocking from attending Motions Hearing and Plea Deal.

⁹ Said Events July 20, 2016, left the Petitioners "Black Balled" with Media Coverage, as they were the true victims. With someone falsely leaking to the Media "Child Mother was shot", setting plots in motion to illegally placed "Said Child in the Privet home of a Virginia Beach Social Worker; who Blocked Petitioners from looking for their Missing Son or calling their City of Hampton for Help. Knowing "Said Child" was placed in the Jurisdiction of the City of Hampton Virginia on July 20, 2016. With Virginia Beach Police Officer leaving said child safe with Petitioners. Taken Infant at the end of the Business Day.

As the Media, Petitioners, nor Judges in the Virginia Beach Court Systems had any knowledge "Said Veteran" was a missing patient receiving Medical Treatment from the Hampton Veteran Hospital for Physical and Mental Embracing Injuries from a War Zone in Afghanistan: Petitioners discovered with their Military Power of Attorney. Given to his Attorney of "Record Respondent Attorney Afshin Farashahi" knowing his client reported to Medical Doctors for needed help almost injuring his family while napping before 7/20/2016. Never Seen by any Judge.

Falsely showing Respondent Beverly Story as Plaintiff in front of Judges without calling Petitioners for available dates. When In Fact President Trump signed the Congress Supported Bill, called The Improved Veteran Care Giver Act into Law to help Caregivers of Veterans who are not Married in Recovering from War Zones; that would have helped the "Late Lysa Story" with needed Support; to better our society as they were not married and "Could Not" attend canceling together on Base nor Veteran Hospitals.

Whereas; Only this Honorable Court can stop said Terroristic Conspiracy and Parental Alienation causing Mental Suffering on children or any Patient Recovering from Mental Injuries, or using children as a Spying Tool to Conspire plots of Conspiracy used against Petitioners in games of Malicious Abuses of Power. Whereas, showing all Respondents with said Veteran's Attorneys of Record in a Plea Deal in Bad Faith under 18 U. S. Code § 371 commit offense under the U. S. of a Missing Patient of the Hampton Veteran Hospital. Serves as Proof said Respondent Female Attorneys of Record allegedly helped to build and control Profits from the Public Interest to raise money as a plot, being paid from "Said Child" Estate". To Mislead a New Judge of the Virginia Circuit Court in case 90101; overlooked by the Virginia Supreme Court.

Whereas having full Juridical Jurisdiction over said "Said Veteran" case to identify how many Attorneys of Record had knowledge "Said Veteran" was a Missing Patient and the levels of involvement of voiding the needed assistance of the Department of Defense and the FBI, Veteran Affairs July 20, 2016, that took away Federal Jurisdiction.

Voiding out guidelines of Presidential Executive Orders and Proclamations for "Said Child" and "Said Veteran" with both suffering from serious medical problems July 20, 2016 to February 18, 2020, unnecessarily as said Veteran Left the University of Kentucky after 911 to fight under the First Black President of the United States.

With said information overlooked by the Virginia Supreme Court. As "Said Veteran" is in serious need of medical care while missing and Pleading for Medical Care 2016-2019 from the Virginia Beach Jail as no City employee had facts or knowledge "Said Veteran" suffers True Medical Conditions in the Virginia Beach Jail, as Respondents Plotted Conspiracy that voided Federal Jurisdiction.

As All Respondents learned in the Virginia Beach Circuit Court Petitioners received pictures from the Late Lysa Story with their son "Said Veteran" head cut in half July 4th, 2016¹¹ as they worked hard to return home from Hawaii to help said Couple. Not knowing said Couple had a "Sick Baby" and dealing with Serious War Injuries" who sacrificing his Good Health while Fighting in Afghanistan for our Great Country after 911 as the Petitioners tried to clarify in Motions and all Courts.

Whereas Federal information of a Missing Veteran receiving Mental Health Care from the Veteran Administration was not giving to Petitioners, Virginia Beach Police Department, FBI, or the Department of Defense nor Reported to the Veteran Affairs. Therefore voiding out the Late Senator John McCain; Veterans Community Care and Access Act and Voiding President Obama Executive Orders with Officers of the Court in violation under the Sixth Amendment of the United States Constitution; plotting an Illegal Chest Games of Horror with the Lives of all Petitioners.

¹¹ "Noting 4th of July is the Birthday of our Great Country. It also serves as the day Senator Jesse Helm Died". Joyce Beggs did not meant to offend anyone with her pictures of the Late Senator Jesse Helms, and other Republicans Leaders as the North Carolina Natives Americans Helped her Grand-Grandfather get to Forth Monroe for his freedom.

Officers of the Court gainfully employed; used their Professional Jobs to team- up in Chin Conspiracy against a Black Republican and her family.

As Respondent Beverly Story's First Attorney knew from the true evidence; the Late Lysa Story was trying to "Evict" a sick Veteran" from her home. Allegedly while he was sleeping under medication for PTSD to "stop fighting the war out in his sleep" returning home from an overnight stay on or around 5:00 am July 20, 2016.

As Late Lysa Story could not tell Petitioners of "Said Veteran" Medical Conditions because of Medical Laws surrounding her Profession Job.¹²

¹² Petitioners trusted her; gave her money to help retired her Mother, to stop Yelling at their son. With Petitioners Founding out on November 13, 2019, she did use the money to Retired her Mother.
