Re: *Diné Citizens Against Ruining Our Environment, et al. v. Navajo
Transitional Energy Co. LLC, et al.*, No. 19-1166

Dear Mr. Harris:

I represent respondent Arizona Public Service Company (APS) in the above-captioned matter. Pursuant to Supreme Court Rule 30.4, I hereby request a 42-day extension of time in which to file a response to the petition for writ of certiorari filed by Petitioners. The petition for writ of certiorari was docketed on March 24, 2020, and response to the petition is currently due on April 23, 2020. If extended, the response would be due on June 4, 2020.

Respondent Navajo Transitional Energy Company (NTEC) recently requested the same 42-day extension, in light of challenges posed by COVID-19. APS requests the extension so as to align the briefing schedule for its response with NTEC's response, and to allow for appropriate coordination among the parties.

Counsel for petitioner has consented to the proposed 42-day extension.

Should you need any additional information, please do not hesitate to let me know.

Respectfully,

Roman Martinez
of LATHAM & WATKINS LLP
