Re: Marcus Lee Robinson v. Colorado, No. 19-1218

Dear Mr. Harris:

On June 22, 2020, the Court granted our request to extend the filing deadline for a response to Mr. Robinson's petition for a writ of certiorari to July 27, 2020. We now respectfully request, under Rule 30.4 of the Rules of this Court, a second extension of time through Monday, August 24, 2020, within which to file a response.

A second extension is necessary because undersigned counsel needs additional time to research issues related to the federal question that petitioner claims this case presents, as well as a matter related to the sufficiency of the appellate record. In addition, counsel's other cases continue to raise novel legal issues related to the ongoing pandemic that require his attention on a regular basis.

Sincerely,

Doyle Baker
Senior Deputy District Attorney
