Re: *Federal Communications Commission v. Prometheus Radio Project*, No. 19-1231; and *National Association of Broadcasters v. Prometheus Radio Project*, No. 19-1241

Dear Mr. Harris:

I represent the following Respondents in the above-referenced Petitions for Certiorari: Prometheus Radio Project; Media Mobilizing Project; Free Press; Office of Communication, Inc. of the United Church of Christ; National Association of Broadcast Employees and Technicians Communications Workers of America; and Common Cause (collectively known as the “Citizen Petitioners” in the proceedings below).

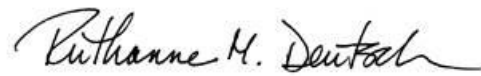

The Brief in Opposition for the 19-1231 Petition is now due May 20, 2020. The Brief in Opposition for the 19-1241 Petition is now due May 22, 2020.

My clients anticipate filing one brief in opposition in response to both petitions, and respectfully request a 62-day extension in Case No. 19-1231 and a 60-day extension in Case No. 19-1241, through and including July 21, 2020. This extension is needed to allow time for newly-engaged Supreme Court counsel to familiarize ourselves with the record and coordinate with co-counsel and the many parties in the midst of COVID-19 pandemic-related difficulties. Petitioners do not object to this request.
