Re: Assassination Archives and Research Center v. Central Intelligence Agency
S.Ct. No. 19-1273

Dear Mr. Harris:

Petitioner Assassination Archives and Research Center (“AARC”) opposes delay in this case because a conference date has been set for September 29, 2020, and AARC in part seeks consolidation of this case with S.Ct. No. 19-547, *Fish and Wildlife Serv., et al. v. Sierra Club, Inc.*, which presents the same or similar issues.

AARC intends to file a reply to CIA’s response, and CIA’s extension date request allows too little time for a reply before the conference date. In addition, the *Fish and Wildlife Serv.* case is being briefed now and delay in this case could disrupt the schedule in that case. For these reasons AARC opposes the requested extension.

Sincerely,

/s/

Daniel S. Alcorn
Counsel for Assassination Archives and
Research Center
