Re: Nos. 19-1402 & 19-1411, *Zacarias v. Janvey* and *Rupert v. Janvey*

Dear Mr. Harris:

The petitions for a writ of certiorari in the above-captioned cases were filed on June 19, 2020. This Court called for a response to both petitions; the response is due on October 13, 2020.

Respondents respectfully request, under Rule 30.4 of this Court, an extension of time to and including November 12, 2020, for respondents to file their briefs in opposition. This request is joined in by all respondents.

Respondents request this extension so that they will have adequate time to prepare their responses to the multiple petitions and amicus briefs filed in support of petitioners, and also to determine whether separate responses or a consolidated response would be more beneficial to the Court. Respondents will file their responses as soon as they are ready, hopefully in advance of the new due date that they request.

Respectfully,

Kevin M. Sadler
