**MOTION TO FILE OUT OF TIME PETITION
FOR WRIT OF CERTIORARI**

Pursuant To Supreme Court Rule 21.1, Samuel Ambrosio Gurrola, Pro Se, respectfully seeks leave to file to file a petition for rehearing after the deadline for filing such petitions. The petitioner has notified Respondent of the intent to file this motion and respectfully shows the Court the following:

1. Petitioner received mail on October 8, 2020 stating Writ of Certiorari had been denied and that Respondent had been sent his message on that date as well, October 8, 2020.
2. Petitioner erroneously tolled the date to file his Petition for Rehearing from this date, October 8, 2020, which the last day to file would have been Saturday October 31, 2020 which fell on a Saturday so in effect because it fell on a week end could be sent on the following week day, Monday 2, 2020.
3. On Thursday, November 12, 2020, Petitioner called the Clerk, United States Supreme Court who informed petitioner the clerk returned petition for rehearing because the petition was filed out of time and should have been received October 30, 2020.
4. Petitioner's mind was fixed on the date the electronic mail was sent on October 8, 2020 and the reason why the petition was thought to be timely but was not, it was in fact confusion of dates. Ambiguity.
5. Interception of the mails continues to be a problem

Motion-2

6. Petitioner is asking the Court Clerk to change his address to P.O. BOX 36508 Albuquerque New Mexico 87112 to insure the safety of his mail.
7. Obstruction of a civil proceeding is a criminal cause of action, 18 U.S.C. § 1514
8. The right to petition the government for relief is a protected activity guaranteed by the First Amendment of the Federal Constitution of the United States and any impediment to that right should be addressed by the Court.

For the foregoing reasons, this motion should be granted.
