RE: *McLemore v. City of Shoreline*: Cause No. 19-202

Dear Mr. Harris:

I am counsel of record for respondent, The City of Shoreline. A response to the petition for writ of certiorari has been requested and is currently due October 15, 2019.

Pursuant to Rule 30.4, respondent requests an extension to November 15, 2019 to file a brief in opposition. Counsel for petitioner David Iannotti has informed me that they have no objection to the request.

The purpose of the request is to provide additional time to respond to the petition that has been submitted to date. I anticipate that competing obligations, including filing a brief in the Washington State Court of Appeals at the same time as the current matter, and fulfilling upcoming obligations on behalf of the City of Shoreline, will impede my ability to prepare for and adequately respond to issues raised in the petition within the normal time. The requested extension will provide sufficient time to provide the Court with a thorough and helpful response.

Thank you for your consideration of this request.

Sincerely,

Sarah Roberts  
Shoreline Prosecuting Attorney  
Counsel for Respondent
