## QUESTIONS PRESENTED FOR REVIEW

1. Can you, Please, overrule, the No. 2016DV97 decree, and award, decree, mandate, to me Noah T. Ballard, the accurate, appropriate, equitable, fair, honest, unbiased, unprejudiced, and Just, \$77K, diligently calculated by arbitrator mediator - Haley E. Medley, which in my presence, was simultaneously agreed upon by my attorney Lisa Webb, saying that she had a different calculation method, that would have calculated the same amount of \$77K? And, punitive compensation, damages as deemed appropriate via the US SUPREME COURT. Please, Please, let Justice Reign.

2. The conscienceless, desecration, disgraceful, contrived mockery, of Justice, and its malicious travesty, born, manipulated, and nurtured, by the Appellee, John T. Gwin, aka the court, should not be further subjected to cruel, deceitful, indifferent, and unjust, sabotage! And, \$50K punitive compensation, damages as Deemed appropriate via the US SUPREME COURT. Coupled with woefully, careless, coercive, derelict, extortion, flagrantly unsatisfactory, facade, Lie-yer Lisa Webb inflicted upon me; the monies she coerced from me  $\geq$  \$20K + punitive damages = \$40,000.00. Revocation of her license to "malpractice" law to be suspended for one or two years or more, may obviate future malpractices, desecrations of Justice. \$30K Punitive Damages via Abby Rubenfeld. And, \$6,600.+\$10K punitive damages = \$16K, via Megan Williams, C&C.
