Re. 19-241, UMB Bank N.A., et al. v. Landmark Towers Assn, Inc.

Dear Clerk,

Pursuant to Rule 30.4, the respondent respectfully requests that the time within which to respond to the petition for certiorari be extended 30 days, to and including October 22, 2019. The petition for certiorari in the above-entitled case was filed on August 21, 2019, and the brief in opposition is now due, unless extended, on September 23, 2019.

This request is necessary since respondent's lead counsel, Brian K. Matise, has been out of the office frequently for several weeks due to medical emergencies of an immediate family member. Given the serious nature of these medical issues, Matise expects that he will be attending to these issues intermittently in the coming weeks, as well. Additionally, after the petitioners filed their petition, the parties engaged in unfruitful settlement negotiations. Matise and undersigned counsel will be able to complete the brief within the extended period herein requested.

Undersigned counsel has conferred with Petitioners' counsel, Neil Arney. Petitioners do not oppose this request.
