Supreme Court of the United States

RE: *Americans for Prosperity Foundation v. Becerra*, No. 19-251, and *Thomas More Law Center v. Becerra*, No. 19-255
Request for Extension of Time

Dear Mr. Harris:

The petitions for writs of certiorari in these cases were filed on August 26, 2019. Responses to the petitions were originally due on September 25, 2019. On September 9, respondent filed a request for a 30-day extension of time in which to file responses to the petitions. On September 11, 2019, the Court granted respondent's request, extending the due date for the responses to October 25, 2019.

Pursuant to Rule 30.4, respondent respectfully requests that the time for filing responses to both petitions be extended by an additional thirty days, up to and including November 25, 2019. Among other reasons for the requested extension, after respondent filed the initial extension request, the California Supreme Court scheduled for oral argument on October 2, 2019 a case in which I am counsel of record for the Attorney General of California, *Mathews v. Becerra*, No. S240156. Petitioner Thomas More Law Center consents to the requested extension. Petitioner Americans for Prosperity Foundation takes no position on this request.

Respectfully submitted,

/s/ Aimee Feinberg
