Re: *California Trout, et al. v. Hoopa Valley Tribe, et al.*, No. 19-257

Dear Mr. Harris:

I represent Respondent-Intervenor PacifiCorp in the above-referenced case. The Petition for a Writ of Certiorari was docketed on August 26, 2019, and PacifiCorp's Brief in Opposition is due on September 27, 2019. Pursuant to Rule 30.4, I respectfully request a thirty (30) day extension of time to file a Brief in Opposition to the Petition.

The attorneys who represent PacifiCorp in this matter, including myself, have substantial professional commitments over the next several weeks, which will complicate our ability to prepare a thorough Brief in Opposition to the Petition. These commitments include several merits briefing deadlines in the United States Court of Appeals for the Second Circuit and the Wisconsin Supreme Court, as well as several deadlines relating to matters before the Federal Energy Regulatory Commission and the United States Environmental Protection Agency.

Accordingly, I respectfully request a thirty (30) day extension of time to file a Brief in Opposition to the Petition.

Respectfully submitted,

Misha Tseytlin
