Re: *City of Trinidad, Colorado v. Stephen Hamer*,  
Case No. 19-283

Dear Clerk,

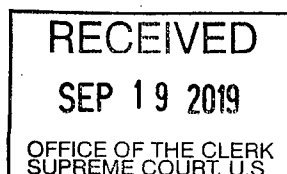

Our firm represents the Respondent, Mr. Stephen Hamer, in the above-titled case. The petition for a writ of certiorari was placed on the docket on September 3, 2019, and according to Supreme Court Rule 15.3, a brief in opposition to the petition is due by October 3, 2019. We are writing to formally request an extension of thirty (30) days, or until November 2, 2019, in which to file our brief in opposition.

Pursuant to Supreme Court Rule 30.4, good cause exists for Mr. Hamer's requested extension. Undersigned counsel operates a small law office with only three full time attorneys and limited support staff. Undersigned has to balance the preparation of Mr. Hamer's opposition to the City of Trinidad's Petition for Writ of Certiorari with their existing clients and case load. Additionally, this is the first-time undersigned has represented a client before the Supreme Court, which necessarily entails greater familiarization with the Supreme Court rules and procedures. Finally, counsel for the City of Trinidad has been contacted and does not object to the requested extension.

Please note that Respondent's attorneys have not yet been admitted to the Supreme Court. However, the attorney applications and admission fees have been mailed, and the admissions are currently pending.

We thank you for your consideration of this request.
