## **SUPPLEMENTAL BRIEF OF PETITIONER**

With respect, and per Rule 15.8, Petitioner files a supplemental brief to call attention to intervening facts not available at the time of filing, on September 19, 2019, of the Petition for Writ of Certiorari. The contents of this brief are restricted to these new facts dating September 23 to October 9, 2019.

With respect, Petitioner would like to provide concerning recent experiences in late September and early October, 2019, submitted to the Respondent in Irregular Operation Reports (IOR's), for a sincere, mindful judicial review for granting the Petitioner a Writ of Certiorari.

Respectfully, it has been communicated to the Petitioner by the Respondent in the Irregular Operation Reports under: "Action Item Link Response", the following: "Confidential — Do not forward, share, or distribute." With respect to the Respondent, the Petitioner's written Irregular Operation Reports (IOR's, unable to submit to the Court) were respectfully submitted to the Respondent due to my duty, obligation and responsibility as a Flight Attendant, to ensure a safe and comfortable environment in the Aircraft Cabin and per the Respondent's Policy and Procedures.

With the greatest respect, may THE SUPREME COURT, in the interest of the Public's Air Travel Safety and Health, grant the Petitioner's Writ of Certiorari.

## CONCLUSION

For the most recent and concerning Petitioner's experiences, and the inability to provide the written reports per the Respondents instruction and direction, for simple insight, clarity and understanding in a Petitioner's Supplemental Brief, may THE SUPREME COURT, find merit in granting the Petitioner a Writ of Certiorari.

Respectfully submitted,

CHRISTINA ALESSIO
